Dear Major Cazier,

This email will respond to your request that the Board of Education have a hearing, investigate your Personal Improvement Plan or to obtain an independent investigation. Your hearing took place with the administrative team within the months leading up to your resignation.

As we have stated before, the Board has reviewed, in detail, the large volume of information pertaining to your situation, including the information you have provided, and is in full support of the administration. Therefore, this email is to inform you that this matter is permanently closed. Accordingly, the Board, whether collectively or individually, will not engage in further discussion with you regarding your personnel issues or anything related to those issues. This applies to all communications, whether in person, via email, during or outside of Board meetings, or through any other means. Further attempts to discuss your personnel situation with the Board will receive no reply.
